*English Idioms and Colloquial Expressions Prof. Argenis A. Zapata Abstract This paper aims at presenting some theoretical considerations on English idioms and collo-quial expressions in general. The discussion is based on the author's foreign language learning and teaching experience and a review of what some renown linguists say on the issue. In the first place, the notions of formal and ...*

*colloquial expressions in English language films subtitled into Persian. The question is: what specific strategies have Persian translators used in dealing with colloquial expressions in English-into-Persian subtitled films? The colloquial expressions were classified based on the combination of taxonomies presented by McCrimmon (1963) and Holmes (1992). The data was gathered from two American ...*
