

Colonies In Orbit The Coming Age Of Human Settlements In Space.pdf

[COLONIES IN ORBIT: The Coming Age of Human Settlements in ...](#)

In a sort of brief for the far-out utopia proposed by Princeton physicist Gerard K. O'Neill, Knight envisions space communities which provide earth with all her energy needs, obtain their building materials from the moon, and carry on the usual functions—agriculture, recreation, learning—in a deliberately earthlike but pollution-free ...
