Southeastern Alaska. HGA-00237. Gardening in Southeast Alaska provides great recreational opportunities and some challenges. Successful gardeners learn to adapt to the unique climatic and sunlight conditions in this cool, maritime environment. Conditions in Southeast Alaska have much in common with the coastal areas of the Pacific Northwest except the day length during the growing season ...

The Common Plants of the Muskegs of Southeast Alaska by O. Wayne Robuck Abstract This guide identifies 49 common plants of coastal Alaska muskegs. Plants are divided into six major groups: clubmosses, ferns, sedges, herbs, shrubs, and trees. Illustrations and short descriptions of each plant are provided, along with a simplified key to aid in identification. The guide has been prepared with ...
