## [12 Fabulous Picture Books About Colour \(and Color!\)](#)

Sun, 09 Oct 2016 21:56:00 GMT

Learning to identify colours is a classic milestone of early childhood, and parents and teachers will often use picture books to help young children learn to distinguish between and name colours. In my opinion, the best children's books to teach colours combine a great story and captivating, colourful illustrations, engaging the child's interest and motivation to learn. Here are some of my favourite picture books, hand chosen as they offer so much to children as they learn and explore ...
